

# PRODUCT GUIDE

## Paint

### ProMar® 200 Zero VOC Interior Latex

- Exceptional durability, easy application, and excellent hide.
- Anti-microbial agents inhibit the growth of mold and mildew on the paint surface.
- Outstanding touch-up reduces repaint costs.
- Available in all colors including deep, vivid accents.

### Harmony® Interior Acrylic Latex

- Formaldehyde Reducing Technology
- Odor Eliminating Technology helps reduce common indoor odors
- Anti-microbial agents inhibit the growth of mold and mildew on the paint surface
- Great hide and durable finish that withstands frequent washings.
- Zero VOC

### Cashmere® Interior Acrylic Latex

- Ultra-smooth, rich, silky finish.
- Silky, low-stipple appearance that looks good from all angles.
- Outstanding coverage and hide.
- Scrubbable for easy cleaning and maintenance.

### Solo™ 100% Acrylic Interior/Exterior Latex

- Delivers good hide, block resistance and durability.
- Excellent adhesion on new and previously painted surfaces - including masonry, wood, drywall, plaster, metal and galvanized substrates.
- Self-priming for properly prepared interior and exterior surfaces

### Duration Home® Interior Acrylic Latex

- Advanced stain blocking technology - a paint and primer in one
- Minimal color rub-off and less visible shine after washing
- New high hiding accent base
- Anti-microbial agents
- Ideal for high-traffic residential and commercial spaces

### Pro Industrial Water Based Alkyd Urethane

- Excellent wash-ability
- Excellent flow & leveling
- Excellent touch up
- Easy application & cleanup
- Resistant to yellowing
- Perfectly suited for heavy traffic areas
- Stands up to washing without burnishing or discoloration
