

PRODUCT GUIDE

Primers

Loxon® Concrete & Masonry Primer

- Seals and adheres to concrete, plaster, brick, stucco, fiber cement siding and EIFS exterior insulated siding.
- Masks pinholes and surface imperfections
- Saves the time and money typically lost while waiting for complete curing of concrete surfaces.

Multi-Purpose Primer

- Excellent stain-blocking and hiding
- Good adhesion and bonding
- Can be used as a pre-wallcovering primer to promote easy removal
- Can be applied in temperatures as low as 35°F

Pro Industrial™ Pro-Cryl® Universal Acrylic Primer

- Single-component, rust-inhibitive primer for steel, aluminum, and galvanized
- Alternative to conventional solvent-based primers
- Accepts all topcoats
- Low temperature application
- Acceptable for use in USDA-inspected facilities

ProBlock® Interior Oil-Based Primer

- Blocks stains and offers an economical price point
- Dries quickly and assures a uniform finish
- Seals out water sensitive stains, dried water stains, smoke stains and related odors, grease, ink, and pencil stains

PrimeRx® Peel Bonding Primer

- Seals and bonds tightly to marginally prepared or peeling exteriors.
- Penetrating, heavy-bodied formula is thick and flexible
- Compatible with any of our exterior acrylic topcoats.
- Cleans up easily with soap and water.

UGL Drylok Masonry Waterproof

- Waterproofs all interior, exterior, above or below grade masonry
- Withstands 10 pounds of hydrostatic pressure
